Oberammergau 2010 The Passion Play

Once every ten years...since the 17th century..

The Passion Play is performed in Oberammergau, Germany

At the start of a new decade, 2,000 local residents of the small German town of Oberammergau perform the Passionsspiele (Passion Play), a dramatic recreation of the last days of Christ. The play was first performed 375 years ago; today, it is one of Germany's oldest festivals. The year 2010 promises to be one of history's most important seasons as it marks the end of the first decade of the new millennium.
